

**The Essential
Online Resource
for HR Practitioners**

Linea is the most comprehensive online resource for HR practitioners from Adare Human Resource Management.

Linea is the essential tool that every HR practitioner needs to have to help better manage their people. It provides immediate access to the latest information on all aspects of HR, Employment Law, Industrial Relations and Health & Safety.

Intuitively designed to cover the full lifecycle of the employee, Linea is continuously updated to support and assist the ongoing and changing needs of HR practitioners. All of the information is developed by our expert-led team at Adare Human Resource Management so that you have the confidence that your organisation is fully compliant with latest HR best practice and that you have the essential resource to effectively manage your people strategy.

Linea will save you time, effort and resources and allow you to focus more on the strategic elements of managing the people in your organisation.

Linea gives members exclusive access to:

1. In-depth information and analysis on

Employment Legislation and Codes of Practice by our subject matter experts.

3. Up to date Case Law

on all key Employment Legislation, including insight and recommendations.

5. A comprehensive range of HR Policies and Procedures

ready for implementation in your Organisation.

2. A comprehensive range of FAQs on HR topics, such as Employment Legislation, Industrial Relations, Human Resource Management and Health & Safety.

4. Full suite of Tools, Templates, Checklists and Forms that can be adopted for the workplace.

6. Access to Benchmarking Surveys, Webinars and Podcasts to keep you informed on key HR and Employment Topics.

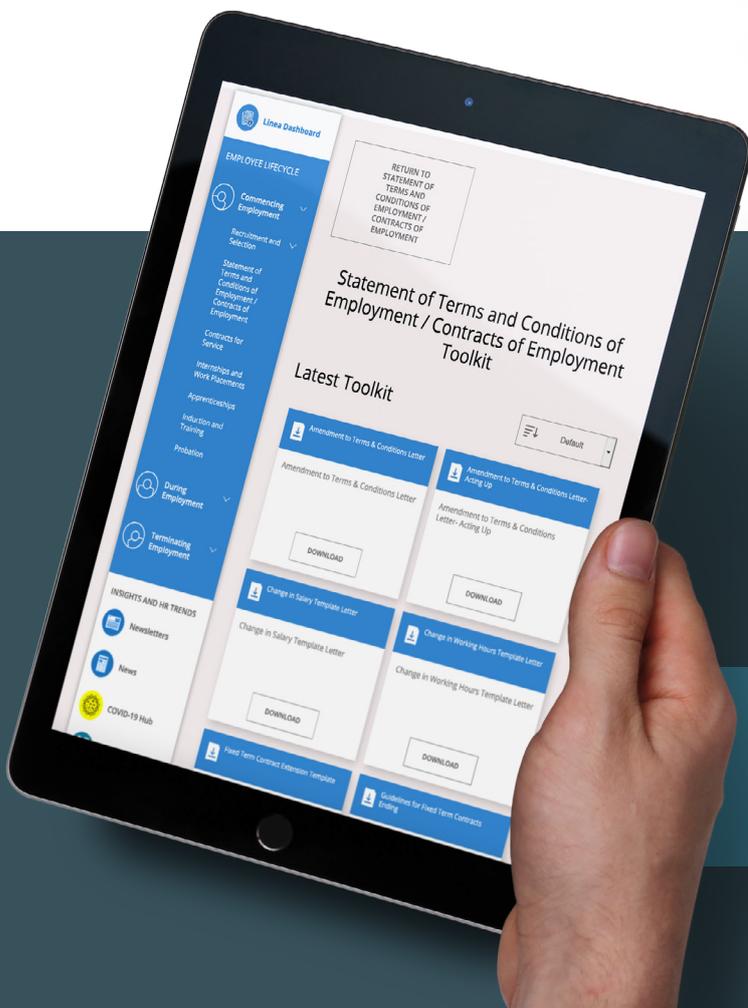

Linea is easy to use with instant access to all the information you need to stay up to date with the latest in employment legislation and case law developed by our Legal, HR and IR subject matter experts.

The search functionality helps quickly navigate the information so you get what you need quickly, saving time and effort.

Linea provides comprehensive guidance on all aspects of Employment Law, including legislation, Codes of Practice, employment-related cases and FAQs.

It contains an extensive list of HR best practice toolkits, templates, employment and organisational policies, forms, letters and checklists – everything you will ever need.

Our expert-led team continuously update information and insights on developments in employment legislation, case law, HR and Health & Safety trends.

Linea is also home to our informative webinars, podcasts, HR Barometer Benchmarking Survey, calendar of key HR events, Employment Law Alerts and our HR Newsletters.
